

WORKSOP PRIORY C of E PRIMARY ACADEMY

YEAR 3 – A message from the teacher and a few reminders

Hello and welcome back to a new school year!

We have a lot to learn about this term, with a focus on two topics; Keeping Healthy and Ancient Egypt. Our first topic will lead us up to half term, in which the children will have opportunities to learn where our food comes from, how our muscles and bones work and how to keep our bodies fit and healthy. They will end their learning by designing and creating a healthy sandwich to enjoy. After half term, the children will study Ancient Egypt and find out some fascinating facts about how the Egyptians lived and how they have left a legacy that is around 5000 years old! They will also be given the opportunity to fully immerse themselves in our topic with an Ancient Egyptian Day at school and a visit to Weston Park Museum.

I feel it is important that the children take responsibility for their own learning now that they are in Key Stage 2 and that they not only begin to research topics for themselves but also complete all unfinished work. I would ask that you support me in this very important area – all children will be given tasks and activities that are matched to their ability and any unfinished work will be given extra time in class but then, on occasions, golden time and break times will be used for those that do not complete their work.

Looking forward to a great term ahead.

Kind regards,

Mr C Anderson

Here are some general reminders that you might find useful ...

Things that your child needs to bring each day

- **Reading pack**
- **Glasses** – if your child needs to wear glasses they should be brought into school each day. If you have problems with this, please ask the optician for a second pair and keep them in school.
- **Asthma inhalers** – If your child is asthmatic it is essential that your child's name is on the school register and they have an up to date inhaler in school. Without this he/she will not be able to go on visits or take part in PE sessions.
- **Water Bottles** - regular intake of water helps your child to focus as well as keep hydrated
- **Target Book**
- **Coat**

School Uniform

As you are aware we have a compulsory school uniform at Priory and children are required to wear the following:

Boys: Black trousers, burgundy knitted jumper or tank top (with school badge), plain white buttoned shirt, clip on tie (real tie optional from Year 3), black school shorts in the Summer, black or grey socks.

Girls: Black pinafore dress/skirt/trousers, burgundy knitted cardigan, jumper or tank top (with school badge), plain white buttoned blouse (with top fastening button), clip on tie (real tie optional from Year 3), yellow and white gingham dresses (no tie required)/black school shorts in the Summer, black, white or grey socks **or** black, grey or burgundy tights.

Children must wear appropriate, sensible, black shoes with good grip and closed toes. Trainers and boots are not acceptable.

Please be aware that children should not be wearing nail varnish or make up of any kind. Hair should not be dyed or have patterns shaved into it and extreme hairstyles are not encouraged.

The only jewellery allowed to be worn in school is a small watch and children with pierced ears may wear small, plain gold studs, which must be removed on PE days.

Should you wish your child to have their ears pierced, then we would ask that you please wait for the summer holidays. If your child cannot remove their studs, they will need to wear micro-pore tape **from home** during PE lessons.

PE Kit: Plain white t shirt, black or navy-blue shorts, training shoes (in a separate carrier bag please) and jogging pants / track suit for the colder weather. Kit should be brought into school every Monday and taken home for a wash on Friday. Long hair will need to be tied back in all sport lessons. Coloured house team t shirts should also be kept in the PE bag for occasional use during lessons.

Drinking Water bottles

Bottles should be taken home and washed thoroughly every weekend. Replacement bottles cost £2 each.

Homework

Children are expected to:

- Read at least 3 times a week at home (Please record this in their record book)
- Learn spellings ready for the weekly spelling test
- Practise the 'Learn Its', which will be shared via the class blogs. There is a 'Beat That' challenge each week to check that the children are improving.
- From time to time there may be other activities sent home to reinforce our work in class or to work towards a specific target, and if your child is receiving extra support they may be asked to complete tasks and challenges as part of a specialised programme.

Optional Homework

- Curriculum Projects
- Complete more of the 100 List activities
- Take part in the Class Blog each week

Knowledge Organisers

Each pupil has been given a Knowledge Organiser showing the key information that will be taught during topic lessons. This is the information that we aim for the children to know by the end of the topic. There will be a quiz, which will generally involve filling in missing details/words/numbers/labels etc on a copy of the knowledge organiser.

We believe there to be many benefits from sharing the knowledge organisers with parents/carers:

- You will know what the children will be learning about and can reinforce this at home
- Your child could choose something from the knowledge organiser to study in further depth at home and then share what they have learned with their peers
- By building up a collection of Knowledge Organisers, children will have access to the key information from all topics as they move through school, allowing them to build a picture more easily of how topics relate to each other. With this in mind, we would ask parents/ carers to encourage their children to store them safely.

Zero Tolerance

At Priory we believe that good behaviour for learning is essential and that every child has the right to work without being disrupted. Therefore, if your child is disruptive they will be given one warning and if they continue to disrupt they will be asked to sit on the edge of the class and have “time out”. If your child continues to disrupt they will be sent to another class to allow the rest of the class to carry on working. Parents will be informed if their child’s behaviour is not appropriate and asked to support the school in ensuring that their behaviour improves.

What do I do if I have a problem or am concerned about something that has happened?

In the first instance, please make an appointment to see the class teacher. If you still need help after that, you are welcome to make an appointment to see Mrs Larkin, Mrs Rawson or Mr Abbott.
