

# The Great Fire of London – Year 2 Knowledge Organiser Spring 2019

## Key Facts

- The Great Fire of London happened in the 17th century.
- The fire started in a bakery on Pudding Lane.
- The fire started on 2<sup>nd</sup> September 1666 and was finally put out on the 5<sup>th</sup> September 1666.
- Many of the houses in London at the time were made from wood and straw.
- There had been a drought lasting 10 months before the fire.
- We know a lot about what happened in the great fire because Samuel Pepys wrote a diary.
- Leather buckets, metal hooks and water squirts were used to fight the fire.
