Daily update

Dear parents and carers,

Thank you for working with us to keep the school site as safe as possible. Unfortunately, the Worksof Town and South ward is now one of the highest case areas in England over the last 7 days. It is so important that we do whatever we can to protect our school community.

S802LJ – Worksof Town & South

Current alert level in Bassetlaw

NATIONAL RESTRICTIONS

[View Details](#)

People tested positive by specimen date

Seven days to 12 November 2020

36

Rate per 100k resident population: **502**

How does this compare to England average?

The number of people who have tested positive in our local area - since I last wrote to you on Friday - has increased by 61%.

When on the school grounds, for the avoidance of any doubt whatsoever, parents and carers are required to:

- ✓ Keep a 2m distance (there are floor markings to show you)
- ✓ Avoid walking alongside anyone who isn't in your household/care bubble (This includes not walking with your friends and extended family)
- ✓ Wear a face covering unless exempt
- ✓ Avoid touching other people at all times
- ✓ Keep your children with you at all times, so class bubbles are not mixing

In the unfortunate event that there is a persistent disregard for these rules, it will result in parents and carers receiving a written warning under Section 547 of the Education Act (1996). This may result in parents being required to drop off and pick up their children at times different to everybody else. This would be a hugely regrettable course of action and certainly one I hope to avoid. Failing to follow these rules is not worth risking a criminal record.

Parents and school staff are growing increasingly concerned about what they witness from a very small, but noticeable minority of people, however, I would like to thank the overwhelming majority of parents who continue to work with us to ensure the safety of each and every one of us.

Yours sincerely

Mr Phil Abbott
Headteacher
