RE: Forthcoming events

Dear Parents and Carers,

I am writing to you with details of the forthcoming events that will take us up to the end of the academic year.

Whilst the restrictions around Covid make it very difficult indeed to make plans involving large groups of parents/carers on site in a way we would like, we are working hard to ensure that some events can go ahead with parents/carers participating. We expect to know if and when further restrictions may lift when the Government make a statement next Monday, but it is possible that the proposed 21st June date will be moved into July.

We know how much you appreciate such opportunities and, should Covid restrictions ease beyond those we expect, we may be able to widen the possibilities further. Until that time, we aim to run the events listed on the next page.

I hope that you found the interim progress report that we sent for your child(ren) at the end of last half-term useful. It may be that you require further information or would like to talk to your child's class teacher about it. If this is the case, please contact the school office in the first instance and we will arrange for the class teacher to give you a call at a convenient time. A more detailed annual report for your child will come home on Monday 19th July, with a further opportunity to drop-in to see the class teacher.

We sincerely hope that, from September, we will be able to return to a far more normal situation where we can once again share those special events with many more parents. We know how much your children appreciate the interest you show in their learning when you are able to visit the school.

Until then, we would like to thank you for your support and patience as we navigate the final weeks of a very demanding academic year.

Yours sincerely,

Mr Phil Abbott
Headteacher
