RE: End of term update

Dear Parents and Carers,

Easter Holidays

We have reached the Easter Holidays! We hope that you are able to spend some time together with your family over this period, especially now that it is possible in our gardens with one other household. Let's hope the weather will make that possible over the holidays.

'Thank you, Asda and Dell!'

As part of the fabulous community response to the challenges of remote learning, we were delighted to be given some free laptops, bags and headsets as part of a scheme run by Asda, in partnership with Dell. Pictured are Miley and Mukesh who used the school's electronic devices brilliantly during lockdown. We would like to say a big 'thank you' to Asda and Dell for their very generous donation.

Further lifting of restrictions

On 12th April, subject to the government giving the go-ahead, there will be a further lifting of restrictions. These include the opening of some outdoor facilities. It is important to know that, despite the changes, it will still be illegal to enter the house of other people outside of your allowed bubbles, unless for care or work purposes. This means that indoor parties and overnight stays are not permitted in other people's houses.

Term dates and INSET Days

The new term begins on Monday 19th April 2021. We plan to take the two remaining INSET (staff training) days this year on 27th and 28th July, 2021. This means that the last day of the academic year will be Monday 26th July.

Contact over Easter

As we have been throughout the last year, we are available to contact throughout the holiday if you need to inform us of a positive test result. We would ask you to use the office email address to let us know if a child has tested positive following a test they have taken anytime from yesterday, today, or this coming Friday, Saturday or Sunday. Please use office@worksoppriory.snmat.org.uk and we will respond as soon as we can.

I wish you all a safe and happy Easter.

Yours sincerely,

Mr Phil Abbott
Headteacher
