RE: Weekly Update

Dear Parents and Carers,

Covid update

I am writing to you at the end of another difficult and demanding week. Whilst we are working especially hard to ensure that our pupils, staff and parents remain safe and well, we are acutely aware of the rising number of Covid cases locally.

Across Nottinghamshire, there has been a further rise in positive cases, especially in children aged 12-17. You may well be aware of a number of bubble (and whole year group) closures in schools across Worksop recently. Happily, at this stage, we have managed to remain unaffected, but there is no guarantee that this will continue. In Bassetlaw in the last 7 days, the number of positive cases has nearly doubled again. It is important that we do not become complacent as we approach the end of term and the potential further lifting of restrictions.

Therefore, please can we ask you to continue to work with us in the following ways:

1. Limit, where possible, the number of people dropping off and collecting pupils. Ideally, this will be just one person per family.
2. Any person over the age of 11 should wear a face covering on school grounds, unless exempt from doing so.
3. Keep an adequate distance (1m+) from others on the school grounds.

A word of thanks

Finally, we would like to say thank you to the parents who took the time and effort to get in touch with us following the sports day videos that we sent out last week. Your words of appreciation and thanks were very warmly received by staff. Thank you.

Yours sincerely,

Mr Phil Abbott
Headteacher
